We Believe Women Should Make Their Own Choices

As students, leaders, and women, the members of the Cambridge Area Panhellenic Chapter and the Cambridge Area Iota Tau Chapter were established during the early 1870s. Although our founders studied with distinction and graduated with honors, their early college years were not easy. At best, they were ignored and excluded by male students, professors, and administrators; at worst, they were met with more active disapproval. In response to their hostile environment, our organizations' founders sought to create an inclusive, supportive, empowering community for themselves and
