Re: Request for Open Records Ruling  
UNT Public Information Request No. 7886

Dear General Paxton:

On July 17, 2020, the University of North Texas ("University") received a request for communications in possession of the North Texas Daily, the university student newspaper, concerning the Young Conservatives of Texas student organization. See Enclosure 1. The university requests an open records ruling concerning whether certain information responsive to the request is subject to public disclosure under the Texas Public Information Act.

The university submits that certain information responsive to this request is excepted from public disclosure under Texas Government Code (the "Code") section 552.101. A complete brief explaining why this exception applies and representative samples of information the university believes is excepted from disclosure will be provided in accordance with section 552.301 of the Code.

Please contact me at (940) 565-2717 or [renaldo.stowers@untsystem.edu](mailto:renaldo.stowers@untsystem.edu) if you have any questions concerning this correspondence.

Respectfully,

A handwritten signature in blue ink, which appears to read "Renaldo Stowers", is written over a solid blue rectangular background.
