

REGULATIONS OF THE  
UNIVERSITY OF FLORIDA

UF 2.003 Distribution of Printed Material.<sup>1</sup>

Distribution of Printed Materials on the University campus.

(2) Definitions.

(a) “Designated Ground Area” means a Limited Designated Public Forum constituting a University-owned fixed area outdoors on the ground or pavement of the University’s campus that is designated and made available by the University for the Unmanned Distribution of Printed Material via a Non-modular Unit.

(b) “Limited Designated Public Forums” means Designated Ground Areas and Modular Units that are owned, designated and made available by the University for the Unmanned Distribution of Printed Material and other fixed outdoor areas that are owned, designated and made available by the University for the Manned Distribution of Printed Material, under the time, place and manner conditions and restrictions established in this regulation.

(c) “Manned Distribution” means distribution by a natural person physically handing Printed Material to a consumer.

Non-modular Units placed in locations within Designated Ground Areas pursuant to paragraph (5) of this regulation, and Printed Material may not be left in stacks, left on the ground, left on vehicles, or otherwise be left unattended, and equipment used in connection with Manned Distribution of Printed Material may not be left unattended and must be removed after its use.

(b) The Publisher distributing Printed Material is subject to all applicable University regulations and laws and regulations of the city, state and nation. For example only, distribution of Printed Materials by a student or student group or organization is subject to the Student Code of Conduct, among other regulations and law that apply.

(c)

advertisements. Research and course materials on alcohol or drugs are not considered advertisements for purposes of this regulation, and such materials and other activities that do not consist-

nor is it in any way intended to express any policies or opinions of the University of Florida, or its personnel in their official capacities.”

(h) No Printed Material may be posted or placed on trees, light or utility poles, any interior or exterior walls, windows, or doors of campus buildings, or on any campus facility,

available for Manned Distribution of Printed Material subject to the reasonable time, place and manner requirements of the applicable public authority.

(5) Unmanned Distribution in Space within Modular Units and in Non-modular Units Placed within Designated Ground Areas.

(a) When the University chooses to open space within Modular Units and locations for Non-modular Units to be placed within Designated Ground Areas as Limited Designated Public Forums for the purpose of Unmanned Distribution of Printed Materials, the criteria in this regulation governing such distribution shall be aimed at providing reasonable access to the University community without interfering with pedestrian or vehicular travel, creating an unsafe or unsecure condition, creating litter uncollected by the distributor, compromising the aesthetic quality of the University's campus, or interfering with or impairing University education, research, administrative or other work.

1. Unmanned Outdoor Distribution of Printed Materials by a Publisher is permitted solely under a University license for the use of a space within a Modular Units or for the placement of a Non-modular Unit in a location within a Designated Ground Area. Such license is issued by the University's Associate Vice President for Business Affairs or designee upon approval of an application by a Publisher for such a license in accordance with the provisions of this paragraph (5)(a)-(i).

2. The following procedures shall govern licensing of Unmanned Distribution of Printed Materials on the University campus. Notwithstanding any other provision of this regulation, the Vice President for Business Affairs, Associate Vice President for Business Affairs or a designee shall not consider the content of the Printed Materials in determining whether to approve an application or appeal for a license hereunder.

of the applicant.

2. Whether the applicant seeks a license for the use of space(s) within Modular Unit(s) and/or placement of Non-modular Unit(s) in Designated Ground Area(s).

3. The name of the Printed Material publication proposed for Unmanned Distribution.

4. The location(s) of the particular Modular Unit(s) and/or the proposed location(s) for Non-modular Unit(s) within particular Designated Ground Area(s) where the applicant seeks to distribute Printed Material. See the locales of these Limited Designated Public Forums at the Websites cited in paragraph (5)(a)3 and 4.

5. In the case of an application for the use of space(s) in Modular Unit(s), the number of spaces or half-spaces in each Modular Unit that the applicant proposes to use, the specific space(s) within an applicable Modular Unit that the applicant seeks to use, and an exe

particular Modular Unit or a locale in a particular Designated Ground Area for an extended period of time),

b. frequency of each Publisher's publication of Printed Material (with preference given to more frequent publications),

c. the number and proximity to one another of spaces in a single Modular Unit and/or spaces and/or locations in other Limited Public -2(e)4 lbe i n otl u i

(7) Failure to adhere to this regulation or a license issued under it may result in removal of the Printed Material and related equipment. The University shall notify the Publisher of any such failure, provide the Publisher an opportunity to respond to the notice, to be heard regarding the allegations in the notice, and to appeal any finding adverse to the Publisher in accordance with procedures that are consistent with the procedures for contesting other licensing decisions. Notwithstanding anything to the contrary herein, the University may remove Printed Material and/or related equipment that the University deems non-compliant with this regulation pending final resolution of the appeals process. Any member of the University community who is found to have violated this regulation is subject to disciplinary action. Any violator shall be responsible for any costs arising from the violation that are incurred by the University, its personnel, invitees, and contractors and/or the public for clean-up, repair, removal and/or replacement of property and equipment and/or for harm to people.

(8) Any individual, group or organization engaged in the distribution of Printed Material in violation of this regulation may be prevented from continuing distribution of Printed Material if such action is found to be necessary to protect the uninterrupted or orderly operation of the University, the University's resources, the University's faculty's, staff's, student's or invitees' work and activities, or the safety and security of the University, people or property.
