

to speak as an individual and not on behalf of
the University or a Department. In fact I have
written articles which contained the disclaimer
that I was speaking as an individual citizen and
not as President of O.U. -

I will talk to Dean Snow and Nancy Meyler
and confer with them. I hope that you will

President David T. Boren

of the very tight state budget picture but

normal times return you will see it

I wish all the best to you and your
wife and family. Thank you for keeping me
posted.

Sincerely,
David T. Boren
