John,

Sorry for the delayed response. It's been a tough week here with more merger related changes and cutbacks. All of the ups and downs with Roger, Castagna and associated issues has complicated things even

to 3 on the Latin America Exploration Team with one redeployment and one

like they are both staying put at OU, at least for the short term. what a roller coaster!

AAC membership: Mr. Emmitt Lockard, Jr. was a past member and would like

to be included again. I think we voted him back in the Spring, but I was not sure. Just checking. He was with Halliburton and is now with Dominion Exploration & Production in New Orleans.

Fall meeting: agenda? we probably should resend to four directors and four chairs for input and final approvals. Dean Oliver, John Snow and Charles usually remember looking at some

I hope all is well in Houston and with CP. Do you think CP would be interested in a table sponsorship(s) or lead sponsorship of whole event? Who should we ask?

thanx,
